

7/30/98

Dear Jeremy,

Thanks for your 7/23 and the enclosed ^{order} ~~order~~ form. My check herewith.

As I recall my concern, it was not over whether the government could take ~~the~~ the Zapruder film but the question of fairness.

It paid Marina nothing for the rifle and went to court to keep her from selling it while it allowed the sale of the Ruby weapon.

At the same time taking ~~Ruth Paines~~ ^W records and books and Michael Paines ~~Paines~~ Paine's ~~box~~ ^{box} and keeping all of that and more like it.

Hope ~~you~~ ^{you} enjoy the new work.

Our best,

Harold Weisberg
